

MAKE YOUR RECYCLING COUNT

When prepping your recycling, please follow the guidelines below.

BE SAFE! Remember, keep plastic trash or grocery bags, syringes, batteries and linens out of your recycling bin. These items pose health and fire risks, potentially putting our employees in harm's way.

RECYCLING SERVICE GUIDELINES

Did you know that 60 percent of the trash that is sent to landfills can be recycled? With more than \$50 million spent to bring the latest recycling technology to the region, Rumpke is proudly Ohio's recycling leader. Materials collected through the Tipp City program are delivered to Rumpke Recycling for sorting before being shipped to manufacturers to make new products. See how it works. Visit www.rumpke.com and click on "Education" or visit Rumpke's YouTube channel at youtube.com/RumpkeCleanAndGreen.

These carts hold 2–5 times more recycling than the bins. Call or email Tipp City if you would like to upgrade to a recycling cart.
